Yes, I'll take it from here.

Thanks,

Christine Kelly

Patty – this looks good to me. Fixed a couple of nits in the attachment. I think it's ready for Christine.

Hi David-

Attached is a response to the attached CMS.

This response has been reviewed by the 404(c) team (including R10, OW, OGC, and ORC) and our NEPA folks.

Please review and make changes or concur.

The response is due to the RAs office on 3/23.

Thanks –

Patty

Christine – I'm going to ask Patty, as our critical minerals expert, to take the lead on this. Copying others who may be interested in PLP's latest theory in support of expediting their permitting.
